# Overview

**Doctor's Management System** is a useful tool to be used by all registered doctors in making better informed decisions during attending to patients at any of Doclocum's registered clinics.

## Logging In: Auto-attendance recording

1. Open the Doctor's Management System (DMS) by clicking on its icon placed at the desktop.

Doclocum : Doctor Management System ver 3.2.0.0

Login Into System

Dear Doctor,  
You will need a Doclocum account to log into this system. Please call us if you require any assistance.  
You can start logging in 30 minutes before your designated working slot begins.  
Thank you for using Doclocum system.

Filling combo boxes..

2. Once the system's login page has appeared, insert your valid **Doclocum's Username and Password** given to you by the Doclocum Management team and click the **Login** button.
3. Upon successful login, you will be redirected to the system's Main Interface.
4. You can only log into your **own approved roster slots**. The system will automatically deny access to any login attempts done outside each doctor's approved slots.
5. Once you are logged in for the first time, the system will initiate the slot's attendance monitoring. While you're logged in, the system's clock will continue to tick until you have finally logged out.
6. The system will record your attendance based on your **first login** time and **last log out** time. Any login and logout activity between these two times will not be included in the slot's hours calculation.

## The Interface

The screenshot shows the main interface of the Doctor's Management System. It is divided into several sections, each highlighted with a red box and a number:

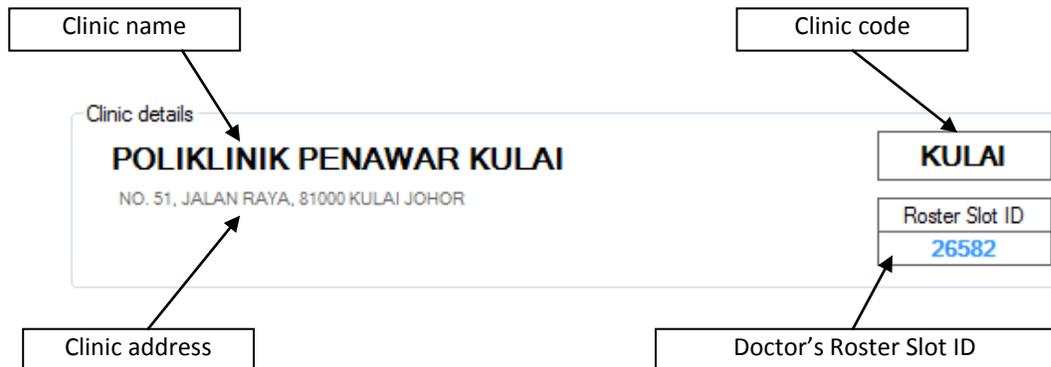

- 1**: Clinic details (PENAWAR doclocum.com, POLIKLINIK PENAWAR SRI PULAI, SPULAI, Roster Slot ID 52280)
- 2**: Logged-In Doctor (DR. MOHD RAZIF BIN AZIZ, NRIC No, MMC No 30183, APC No Not available, Email dmdrazif@penawargroup.c, Log Out button)
- 3**: Work Duration (SB, SE, SD, IN, OUT, TIME, DUR: 4.21 hrs)
- 4**: Queue List (table with columns STATUS, DATE, TIME, NAME)
- 5**: Consultation Info (Prev. Consultations, Patient Info, Panel Info, Referral Letter, Medical Exam)
- 6**: System Messages

# Medical Check-up : Finalising

## Finalising the record

The screenshot shows a web browser window with the URL 'https://www... MediNET myClinic System ...'. The browser's menu bar includes 'File', 'Edit', 'View', 'Favorites', 'Tools', and 'Help'. The application interface has a top navigation bar with tabs: 'Vital', 'History', 'Physical Exam', 'System Exam', 'Other Test', 'Lab Result', and 'Final' (which is highlighted). Below the tabs is a section titled 'Certification by Physician / Doctor'. This section contains three main areas:
 

- Conclusion:** A text area with the text '1. Delay modification'.
- Panel Medical Exam Guideline for : PELEPAS - BRIGANTINE SERVICES SDN BHD**: A text area with the text 'No specific guideline given'.
- Declaration of Certification:** A text area containing the statement: 'From the medical history given, clinical examination, I am of the opinion that the above person is medically **Fit** for the occupation specified.' The word 'Fit' is in a dropdown menu.

 At the bottom of the form is a large red button labeled 'Finalise All'.

To finalise the Medical Exam record, fill in the Conclusion section accordingly.

Please refer to the Panel Medical Exam Guideline (if exists) for more insight regarding the patient's scope of work and occupation.

Finally, select the final outcome of the exam – either **Fit** or **Unfit**

Once you are satisfied with all the finalization data, click on the **Finalise All** button.
